

Congratulations! You have been gifted with the cryptocurrency Monero. Here are a few things you can do with Monero.

- Hold on to it as a possible investment
- Exchange it for a different crypto at changenow.io (No I.D. required)
- Exchange it for popular gift cards at coincards.com
- Purchase products and services. List of places that accept Monero at acceptedhere.io
- Send Monero to friends and family

To access the Monero

1. Install cakewallet.com
2. Restore the gift wallet using the creation date and 25 word seed phrase below
3. Create your own Monero wallet
4. Send the gift wallet balance to your own wallet
5. Backup your own wallet and keep it safe

That's it. Welcome to Monero!
