

**Congratulations! You have been gifted with the cryptocurrency Monero. Here are a few things you can do with Monero.**

- Hold on to it as a possible investment
- Exchange it for a different crypto at [changenow.io](https://changenow.io) (No I.D. required)
- Exchange it for popular gift cards at [coincards.com](https://coincards.com)
- Purchase products and services. List of places that accept Monero at [acceptedhere.io](https://acceptedhere.io)
- Send Monero to friends and family

### **To access the Monero**

1. Install [cakewallet.com](https://cakewallet.com)
2. Restore the gift wallet using the creation date and 25 word seed phrase below
3. Create your own Monero wallet
4. Send the gift wallet balance to your own wallet
5. Backup your own wallet and keep it safe

### **IMPORTANT!**

Do not let anyone else see the gift wallet seed phrase until you have transferred all the funds to your own wallet. Anyone with the gift wallet seed phrase can access the funds.

That's it. Welcome to Monero!
