

Congratulations! You have been gifted with the cryptocurrency Monero. Visit getmonero.org to see what makes Monero the best electronic cash. Here are a few things you can do with this Monero gift.

- Hold on to it as an investment and watch the number go up and down. Hopefully, mostly up!
- Exchange it for a different crypto at changenow.io (No I.D. required)
- Exchange it for popular gift cards at coincards.com
- Purchase products and services. List of places that accept Monero at acceptedhere.io
- Send Monero to friends and family

To access the Monero

1. Install cakewallet.com
2. Restore the gift wallet using the creation date, block height, and 25 word seed phrase below
3. Create your own Monero wallet
4. Send the gift wallet balance to your own wallet
5. Backup your own wallet and keep it safe

Video tutorial of the above steps at monerocasts.com/gift

IMPORTANT!

Do not let anyone else see the gift wallet seed phrase until you have transferred all the funds to your own wallet. Anyone with the gift wallet seed phrase can access the funds.

That's it. Welcome to Monero!
